

Dear Families and Readers,

Missing school is hard for children and families. We want to help by sharing engaging and exciting ways to continue learning.

Usborne Books & More offers many free resources, which encourage reading, learning, and fun. These are perfect for independent learning or provide activities that are perfect for collaboration.

## Usborne Publishing

### Activity Sheets

- Free puzzles, cooking activities, and drawing, doodling, and coloring pages
- Perfectly accompany titles from Usborne Publishing

A purple banner for the 'Teach Your Monster to Read' app. At the top, there are five colorful cartoon monsters: a red one with horns, a green one with a large mouth, a pirate-themed one, a blue one with antennae, and a red one with a mustache. In the center, the text 'TEACH YOUR MONSTER TO READ' is written in a playful, colorful font. Below this, the text reads: 'is a series of free games to practice the first stages of reading. Everything from letters and sounds to reading full sentences!' followed by the website 'teachyourmonstertoread.com'. At the bottom, a tagline states: 'Combining top quality games design with essential learning, the game is built on the principles of phonics.'

**TEACH YOUR MONSTER TO READ**

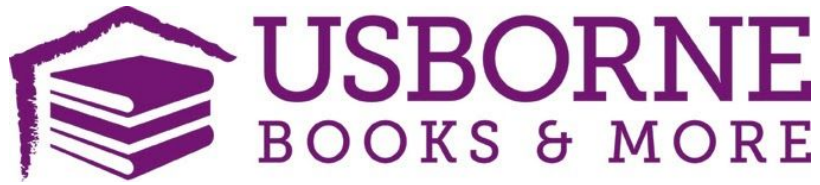

is a series of **free** games to practice the first stages of reading.  
Everything from letters and sounds to reading full sentences!

## Learning from Home

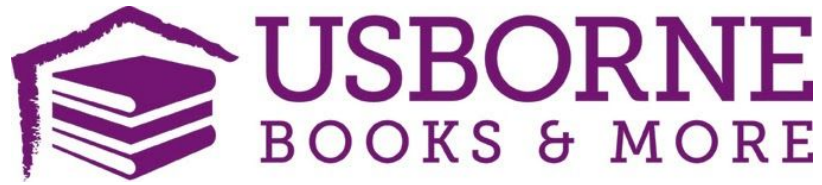

We also have a fantastic selection of activity books, homework helpers, and boredom busters that you can purchase on our Learning from Home resource page [HERE](#).

We are offering additional ways to find the books your child will love. *Learning Resources by Grade* features 14 books for Pre-K through 8th grade and grades 9+.

Two new categories, *Travel the World with Books* and *Books that Comfort*, provide even more ways to Learn from Home.

With Easter right around the corner, we have expanded our *Easter* category to include *Easter Baskets for Infants and Toddlers* and *Easter Baskets for School-Aged Children*.

### Learning Palette Online

Learning Palette online has made this service available to customers FREE for 60 days, for a limited time. There is no need for a credit card or any commitments at a later date.

Learning Palette online is a self-correcting online product, which includes access to 55 titles (35 Math and 20 Reading) for Grades K-5. This is a total of 660 lessons and 7920 questions! The online version mimics the hands-on version of Learning Palette and is aligned to State and National educational standards. Most importantly, it is FUN!

Access Learning Palette online [HERE](#). Simply enter your email address and name and you can begin playing today!
